## **SUMMER-FUN HORSE CAMP 2009**

***Summer Fun Horse Camp is a fun, educational and well organized riding camp for children 5 to 14 years of age.***

***It is NOT YOUR ORDINARY horse camp.***

- On the first day of each session riders will be assigned their very own horse to enjoy for the week.
- Each daily session features a well planned horseback riding lesson focusing on riders varying skill levels and proper equitation taught by qualified instructors and assisted by camp counselors.
- Each daily session also includes an educational and fun activity such as field trips which include swimming and sports at The Wembley Club, a nature trail ride or hike, a farrier or veterinarian visit, a horse bath and painting, games and other planned excursions.
- Our program includes visiting The Wembley Club in the afternoons, two times each week, for swimming and planned sporting activities. (See their website at [www.wembleyclub.com](http://www.wembleyclub.com).)
- At the end of each week, Summer Fun Horse Camp includes a horse show to demonstrate to family and friends what riders have learned during the week. Riders will receive awards for their learning experience. A fun closing day family picnic is provided for family and friends after the show.
- Daily hot lunches, BBQ's and cookouts are included. Extra snacks, beverages & souvenirs are available for sale.

**At B.E.C. Summer Fun Horse Camp our instructors understand that you want your children to learn and have fun this summer, but especially, that you want them to be safe and in good care! That is why we provide our students with adult management and responsible, knowledgeable, organized instructors and camp counselors that can teach them about horses while they have fun, develop confidence, and make new friends!**
